(Constituent College of VTU, Belagavi)
Report on IIC 'Quarter IV' activities on 22.07.2023**

Title of the activity: Start up Opportunities for Graduates

Institute Innovative Council, University BDT College of Engineering, Davangere has organised an event titled "Start up Opportunities for Graduates" on 22.7.2023 from 11.00 am to 2.00 pm. The resource person for the program Dr. Yelloji Rao K Mirajkar, International Convener, Global Indian Scientists and Technocrats, USA explained the start up process for entrepreneurs, start up process opportunities in India and rest of the world.

The program began with key note address by Dr. T. Manjunatha, President, IIC Team, University BDT College of Engineering, Davangere. Dr. S. Manjappa, in-charge Principal has advised students to develop the habit of collecting information on start up opportunities and wish them to be a successful entrepreneur. The outcome of the program is to create start up process awareness, job market in India and abroad etc. Students have raised many questions and resource person has answered all queries. The program ended with thanking note. Nearly ninety two students have actively participated for the program. Participants expressed that the program is very useful and informative for engineering and management students who will be looking for career opportunity in startup business and entrepreneurship.
